

# SINGLE FOLD TRUSS TOOL BAR

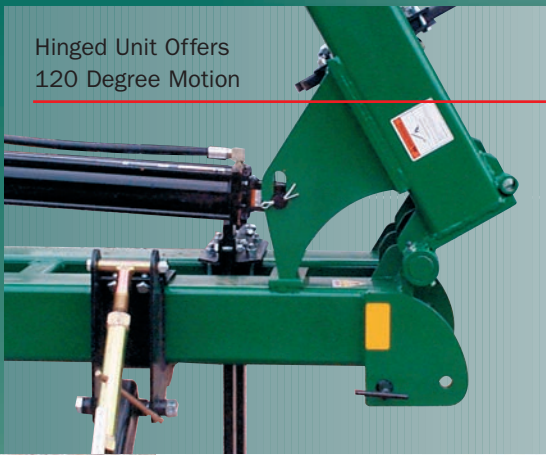

**Designed to Match the Increased Draft Capacities of Large, Row-Crop Implements**

**MADE FOR TOUGH** row crop horsepower, the Hawkins Double 7 Horizontal Truss Bar is available in 37' and 41' standard bar lengths, plus custom lengths to fit our narrow row customer configurations.

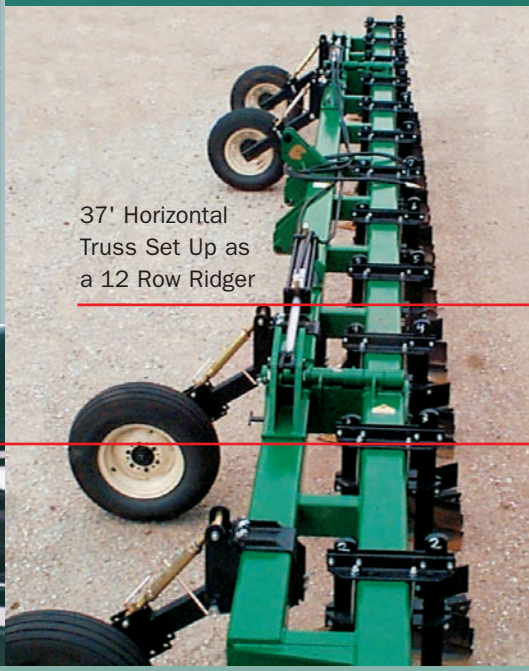

Constructed of 7" X 7" 3/8" (1/2" available) wall square tubing throughout with heavy-duty welded Category 3 hitch. Truss bars carry a 5 year warranty. Call for more information.
